

## Cities & Regions Pavilion

6 – 17 November 2017 • Bonn Zone @ UNFCCC COP23, Bonn, Germany

### Multilevel Governance in implementing the NDCs: the cases of Argentina, Brazil and Colombia.

*Draft as of 08/11/2017*

**Date:** Saturday, 11 November 2017

**Time:** 14:00 – 15:30

**Organized by:** ICLEI South America and Global Covenant of Mayors for Climate & Energy

**Session type:** Panel discussion

**Level of access:** Open

#### Session description:

This session aims to present how Argentina, Brazil and Colombia National Governments are engaging with their subnational and local governments in order to build their strategies to implement their NDCs.

The session features three panels, in which each country will present its governance framework and experiences. After the panels, there will be a debate among the countries' representatives about the challenges they face in each context, and how to improve national processes by sharing experiences with other countries.

#### Speakers:

- Rodrigo Perpétuo, Executive Secretary, ICLEI South America
- Everton Frask Lucero, Secretary of Climate Change and Forest
- Alfredo Sirkis, Executive Secretary, FBMC
- Rogério Menezes, Secretary of Environment and Green Areas – Campinas, President of Association of Municipal Environment Departments

- André Fraga, Secretary of Sustainable City – Salvador, National Coordinator CB27 (TBC)
- Carlos Amastha, Mayor of Palmas
- Mariana Rojas, Director of Climate Change, Ministry of Environment and Sustainable Development (MADS)
- Eugenio Prieto Soto, Director, Metropolitan Area of the Aburrá Valley
- Fernando Guzmán, Executive Director, Asocapitales (TBC)
