

## LGMA Response to COP28 CMA Agenda.no.4 (GST Outcomes text 1.0) as of 8 December 15:30

The Local Governments and Municipal Authorities (LGMA) Constituency, as a united voice of subnational governments in the UNFCCC process, calls on all UNFCCC Parties, and in particular the 60+ signatories of the [CHAMP](#) initiative, **to state clearly and explicitly in the GST Outcome texts, the need to advance multilevel action in the new NDCs towards 2025.**

In order to do so, the text of CMA agenda item 4 First global stocktake under the Paris Agreement Version 8/12/2023 15:30, should be amended with the suggested texts below highlighted in red to reflect the need to advance multilevel action.

**192.**

**Option 1:**

[...]

Nov

**Option 1:** Requests Parties when preparing their subsequent NDCs to take into Account, the outcomes of the global stocktake, including paragraphs x, y, z, as well as ***including subnational action where appropriate ;***

**Option 2:** no text

---

**Option 2:**

Invites all Parties to initiate or intensify domestic preparations for their successive nationally determined contributions ***through multilevel cooperation with subnational governments, where appropriate, ahead of the deadline in paragraph 25 of the decision 1/CP.21***

Recalls that Parties shall communicate their nationally determined contributions at least 9 to 12 months in advance of CMA 7, in accordance with Articles 3, 4 and 14 of the Paris Agreement and any relevant decisions of the CMA;

**197.**

**Option 1:** Encourages Parties to take into account best practices and solutions outlined in the Technical Dialogue Synthesis Report, ***including subnational policies, targets and actions*** in enhancing their actions and support;

**Option 2:** No text

**198.**

**Option 1:** Encourages Parties to implement climate policy and action that ***further advances multilevel***, gender- responsive ***governance***, fully respects human rights, and empowers youth and children

**Option 2:** no text
